Commuter Checks offer a flexible way to pay for your transit expenses. A Commuter Check transit voucher can be used to purchase transit passes, tickets, cards, or other fare media from transit providers and retail merchants, or to pay vanpool fares. Commuter Checks are valid for 13 months, and are a great option for frequent or infrequent riders. Redeem your voucher by providing it to participating transit agencies where fare media can be purchased as well from retail merchants that sell fare media accepting the Commuter Check.

Participating Agencies

- MBTA (bus, subway, rail, ferry and the RIDE para-transit services)

*Information on the MBTA can be obtained by visiting:
