

Want a better commute?  
 Interested in saving money?  
 Not sure what your options are?

The Seaport TMA can help.  
 We offer incentives for not driving  
 alone to work and tips to improve  
 your commute.

Visit [www.seaporttma.org](http://www.seaporttma.org) and  
 improve your commute today!

We'll Get You There

[www.seaporttma.org](http://www.seaporttma.org)

## Guaranteed Ride Home

Leave your car at home and don't worry about getting "stuck" at work. We will give you a free ride home in the event of an emergency, illness, or unexpected overtime. You get up to six cab vouchers a year for your ride. Fare and tip are included.

## Carpool Matching

Share a ride and get in on the big savings: gas cards, detailing packages, and gift certificates. We will match you with employees who work similar hours and live nearby. You choose when you want to share the ride. The more you share, the more you can earn.

## Workout to Work

Walking or biking some or all of the way to work offers many rewards: it's healthy and it helps the environment. Here's another reward: gift cards to sports stores. Submit your miles online every month to win this and other prizes.

## Ride to Win

If you commute via public transportation, you can enter our monthly raffle to win American Express or Visa gift cards. Send us the monthly entry form for a chance to win. (Some employers raffle off additional prizes as well. Contact us to see if your company participates.)

## Try Transit on Us

Tired of driving alone to work? Try taking transit and get a \$50 commuter check towards a monthly MBTA transit pass or a ten-ride ticket with a private bus carrier.

## Zipcar Discount

Join Zipcar for less. With 700+ vehicles throughout Boston, including the South Boston Waterfront, you can use Zipcars by the hour to run errands or drive to meetings. Since gas and insurance are included, Zipcars can be less expensive than rental cars or taxis—and you can leave your car at home too.
