

Guaranteed Ride Home is switching platforms.

As of January 2020, GRH has moved to a rewards-based program called CommuteSeaport.

Here's what you need to know.

SEAPORT *TMA*

 **rideamigos**

Guaranteed Ride Home

- Employees of [Seaport TMA member companies](#) are eligible to enroll in Guaranteed Ride Home.
- Leave your car at home and don't worry about getting "stuck" at work.
- We will give you a free ride home via Uber in the event of an emergency, illness, or unexpected overtime while at work.
- Your ride is fully paid for using Uber vouchers. You get up to four vouchers a year for your ride.
- Fare and tip are included. Participation is free.
- To be eligible for this program, you must commit to using a sustainable commute mode (using transit, carpooling, biking, walking - not driving by yourself) at least three days a week.

What is **not** changing:

- You may still use up to 4 free rides per year.
- You may still use Uber.
- The [guidelines](#) are the same.
- You still need to tell us your reason for use and submit a [confirmation report](#) with supervisor approval.

What is changing:

- Once registered, you can use the program immediately.
- You must make an account with www.CommuteSeaport.com where you will earn points for your sustainable commutes.
- There's an app! CommuteTracker by RideAmigos

Android: [Google Play Store](#)

Apple: [App Store](#)

- You must log your commute to earn points to redeem for trips.
- You *will not* be able to access your next ride without submitting your reasoning for the previous ride.
- You may not redeem rides on consecutive days.
- You will no longer see “Seaport TMA” as a payment method within your Uber app. Instead, you can redeem your earned points through CommuteSeaport for a digital voucher link that will be applied in-app.

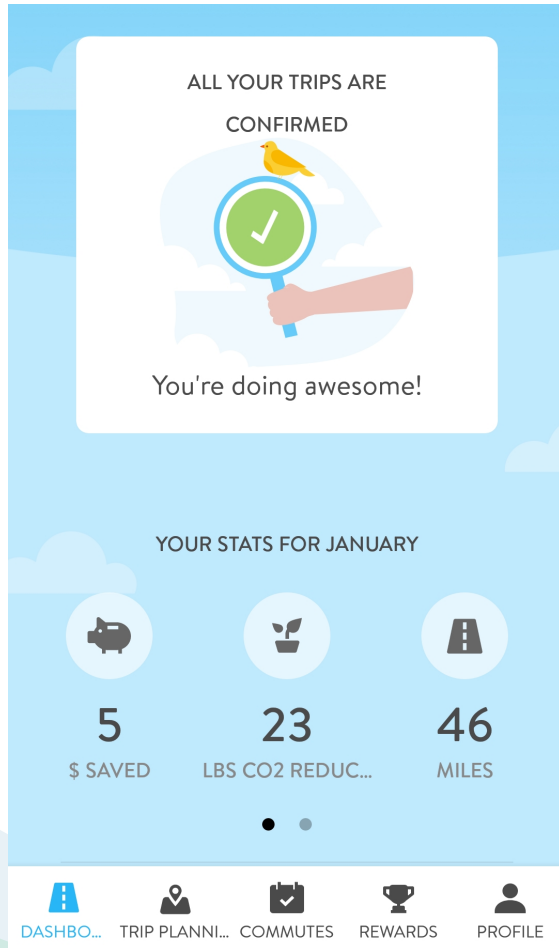

How to redeem your free emergency ride

- Go to www.CommuteSeaport.com and create an account.
- Enter your commute and indicate what mode you use. In order to be eligible, you **may not be driving alone 3+ days per week.**
- Begin logging trips! CommuteSeaport will automatically remember your typical commute, and all you need to do is confirm each trip.
- You will earn **1 point** per day towards GRH when you use a sustainable mode to commute to work, **up to 4** per year. Each point may be redeemed for one of your 4 free rides.
- **Do not redeem your voucher until immediately before you to use GRH.**
- You must log a sustainable commute on the day you redeem your voucher.

Guaranteed Ride Home

You won't have to worry about being stuck at work if you work overtime and miss the last commuter rail train, if you have a personal emergency or illness, or if your carpool partner needs to leave early or stay late. We will give you up to four free rides home per year using Uber vouchers. Fare and tip are included. There is no cost to you to participate in the program.
